But **The Drat Pack** is not just a swing band. They also play loads of great motown, soul, funk and more up to date tunes as well to up the energy as the evening hots up or if a variety of styles are needed. **The Drat Pack** will of course tailor their performance to your needs for the evening.

The Drat Pack is led by Adam Moran on vocals, one of the leading swing singers in the South West. As well as singing with **The Drat Pack**, Adam also fronts two of the leading big bands in Devon namely the Sam Eliot Big Band and The Exe City Big Band. The rest of the band also play together regularly in **The Drat Pack** and other bands and have been together since 2001 building a strong reputation for swing, jazz, funk, soul, motown and blues throughout the region.
